

2010 Horoscope (part 2)

二〇一〇年生肖運勢 (二)

Rabbit 兔

» Continued from yesterday / 接續昨日

2010 does not bode well for rabbits. Typically rabbits are serene and sensitive, and in this year of uncertainty they should play to their strengths and avoid taking any unnecessary risks. A financial scam is on the horizon, so be wary of investing in schemes that promise extravagant rewards.

On the positive side, this will be a good year for rabbits to embark on a spiritual journey. If you have lapsed from your religion, make this the year that you reaffirm your commitment to it.

And if you aren't religious, resolve to explore your spirituality — you may be surprised what you discover.

二〇一〇年對兔子來說不是太好。一般而言，兔子的個性安靜且敏感，但今年是充滿不確定的一年，肖兔者應該要發揮他們的力量，避免任何不必要的冒險。今年可能會碰上詐財騙局，所以投資方面要特別留心保證高獲利的計畫。

就好的方面來看，今年很適合兔子們展開心靈之旅。如果覺得自己已背離信仰，今年可重新投入。如果原先沒有信仰，則可試著探索心靈——可能會有意想不到的發現喔。

DRAGON 龍

Fiery and passionate, dragons live life to the full and unless you have a challenge to get your teeth into, you will feel bored and unsatisfied. But with 2010 being a bad year for you to start a new business, why not make this the year when you go back to school and acquire some new skills? The indications are that studying in the New Year will work out very well for you.

Dragons aren't the easiest people to get along with, so a relationship problem might rear its ugly head. If that happens, just keep your cool, don't say anything to aggravate the situation and you'll find that the trouble blows over.

狂烈又熱情的肖龍者每天都活在當下，把生命發揮到淋漓盡致，除非有個能全心投入的挑戰，否則你會對生活感到無趣和不滿。然而，二〇一〇年對你而言，並不適合開創新事業，所以何不重回學校，學習一些新技能呢？在農曆新年時認真一下，成效將會非常好喔。

肖龍者並不是很容易相處的人，因此今年可能會出現感情問題。假使真的碰到問題，只要保持冷靜，不要說出會使情況變糟的話，問題很快就可以解決了。
